A force of light an angel  
Sent through time to destroy  
Avenging the dark ones  
Descending angelic force

Heaven sent the hunter  
Her mission to crucify  
Slay the hellborn  
His offspring demonic force

Chorus:  
Descending from heaven  
The angel sworn to bring him down

The hunter the thunder  
The wrath of heavens comin' down

She swore an oath, an allegiance  
Armageddon is in sight  
To be the thorn in the devils back  
To make him weak, the final fight

Chorus
