Another day, just like any other
Out of the blue, it turned to horror
How could they? Why would they?
The innocents suffered hell's inferno
An senseless act that goes unforgotten
How could they? They will pay

When the eagle cries
When the eagle cries
When the eagle cries
When the eagle cries
When the eagle cries

Out of the ashes came a tempted vengeance
But we are focused, we seek redemption
We are free, we'll stay free
All they've done, is make us stronger
The sleeping giant, is asleep no longer
If need be, we'll die free

When the eagle cries
(Blood will flow)
When the eagle cries
(For freedom's fight)

When the eagle cries
(We love us all)
When the eagle cries
(We'll sacrifice)
When the eagle cries

When the eagle cries
(Blood will flow)
When the eagle cries
(For freedom's fight)

When the eagle cries
(We love us all)
When the eagle cries
(We'll sacrifice)
When the eagle cries
