Blank Frank: he's the messenger of your doom and
your destruction.
Yes, he is the one who will set you up as nothing
And he is the one who will look at you sideways
His particular skill is leaving cars in people's driveways.

Ahhh ya, ahhh ahhh, whoo ya ya ya ya, yaaa, ya, ya
Yaaa, ya ya ya ya, ya, yaaa, ya ya ya ya ya ya ha,
ahhh

Frank has a memory that's as cold as an iceberg
The only lines he'd speak is in incomprehensible
proverbs
Blank Frank is the siren, he's the air-raid, he's the
crater.
He's on the menu on the table, he's the knife and he's
the waiter.

Yeahhh, hey ya da da da daaaa, ahhh da da da
