Electric blue

I just freeze  
Every time you see through me  
Help me, baby  
Tell me, what can I do?  
Electric blue

If a boy had a chance  
A chance with someone like you  
Are you gonna break his heart?  
Let him cry for the moon?  
Are you hiding somewhere behind those eyes?

I just freeze  
Every time you see through me  
And it's all over you  
Electric blue

On my knees  
Help me, baby  
Tell me, what can I do?  
Electric blue

I just freeze  
Every time you see through me  
And it's all over you  
Electric blue

On my knees  
Help me, baby  
Tell me, what can I do?  
Electric blue

Oh, I had a dream  
For a moment I believed it was true  
Oh, I'd have given anything  
Just to be there with you  
Are you hiding somewhere behind those eyes?

I just freeze  
Every time you see through me

And it's all over you  
Electric blue

In too deep  
Standing here waiting  
As I'm breaking into  
Electric blue

I can see  
Can see that it may be  
Just a vision of you  
Electric blue

On my knees  
Help me, baby  
Tell me what can I do?

I just freeze

I just freeze  
Every time you see through me  
And it's all over you  
Electric blue

In too deep  
Standing here waiting  
As I'm breaking into  
Electric blue

I can see  
Can see that it may be  
Just a vision of you  
Electric blue

On my knees  
Help me, baby  
Tell me what can I do?  
Electric blue

Electric blue  
Electric blue  
Electric blue
