She tells me that she has to go, she says that it's all  
over now

She knows how to break me, she knows that it's easy  
But when the rain is coming in, she calls me on the  
telephone she says

"Where did you get to? So come on I need you"

It's a mysterious thing, well it's something I can't  
explain

Mysterious thing, got me under the spell again

It's a mysterious thing, don't believe what my eyes can  
see

Mysterious thing, strangest feeling is holding me  
So give me an answer, girl, what must I do for your  
love?

She's gonna make you run around, she's gonna keep  
you hanging on

Wearing her black lace, wild-eyed and reckless

But before you throw it all away, just think of what it  
does to me

Why must I go on? Wishing and praying

It's a mysterious thing, well it's something I can't  
explain

Mysterious thing, got me under the spell again

It's a mysterious thing, don't believe what my eyes can  
see

Mysterious thing, strangest feeling is holding me

So give me an answer, girl, what must I do for your  
love?

Ooh ooh ooh ooh ooh, mmm, mmm, mmm, mmm

It's a...It's a...It's a...mysterious thing

Give me an answer, girl, what must I do for your love?

Mmm, mmm

It's a mysterious thing, well it's something I can't  
explain

Mysterious thing, she's got me under the spell...under  
the spell

It's a...It's a...It's a...  
Don't believe what my...Believe what my...Believe what  
my eyes  
Mysterious thing, well it's something I can't explain, no,  
no  
It's a mysterious thing, heading under the spell...under  
the spell  
Mysterious thing
