Blinded by fear  
I advance through the night  
Like a ghost in the fog,  
Try to find my way  
Never looking back  
But forever seeking the day

Help me get out  
It's always hunting me  
Trapped in a dream  
There has to be a way for me  
For me to see  
How I can achieve reality

I can no longer sleep  
I could no longer rise  
I am trapped in a dream  
Even awake  
No one hears my scream

Is this my last destination?  
Is this my dreamland nation?  
How can I live a dream  
If I am not asleep?  
Enlighten me I have to see  
What is beyond this vision

[Chorus]

Will I forever sleep?  
Will I no longer rise?  
I am trapped in a dream  
Even awake  
No one hears my scream

[Solo: Jay / Vincent / Jay]

I can no longer sleep  
I could no longer rise  
I've been trapped in a dream  
Even awake

No one hears my scream

[Chorus]
