The rest you need
For just one kiss
How could you know
You'd pay the price?
You try in love
Just once or twice
No last regrets
No sacrifice

CHORUS

Hey, hey
Hey, hey
Did you follow me?
Just walk into the fire
Into the wild

Well, there she goes
That friend of mine
If I could read
Between the lines
My once last chance
I let her go
So when you talk
Don't talk of love

CHORUS

In the name of love
That sweet refrain
That tells me you're
No stranger to the sound
Of the siren's call
That takes you down
Down to the deep
Again and again

CHORUS

Hey, hey
Hey, hey
Hey, hey

Hey, into the wild
Hey, into the wild
