Life has been a burden to me through loss and defeat  
And I had to wonder « Why should I go on? »  
A strange desire came to me, enhanced my abilities  
I thought I was human and now I'm a legend

[Chorus:]

Meet the spectre of the night  
Born of the growing fright  
Stronger than flesh and bone  
Almighty avenger of the weak and torn  
In the eyes of the fair, a new legend is born

Driven by a nemesis  
I cannot take more of this senseless reality  
My eternal rivalry  
I can fight it, I can stop it  
I must accept it for the rest of my days

[Chorus:]

Meet the spectre of the night  
Born of the growing fright  
Stronger than flesh and bone  
Almighty avenger of the weak and torn  
In the eyes of the fair, a new legend is born

(The) battle rages of this bloody night  
The encounter, I have won again

Standing alone  
Hidden from this world  
Restless my eyes  
So be it  
I am the bearer, I am the guardian  
They all rely on me

[Chorus:]

Meet the spectre of the night  
Born of the growing fright  
Stronger than flesh and bone  
Almighty avenger of the weak and torn  
In the eyes of the fair, a new legend is born again
