

Burn Halo

Something's burning inside of me
Can I put out the flame
Before I'm laid to waste
Hear I stand it's getting hard to breathe
Now I can feel the burn
It's getting cold and lonely

Stay because I'm feeling alone
And I need you more than you know
Don't leave me because I'm under attack
And you don't have a reason to go
Don't leave me alone

I've been living too blind to see
How do you know my name
But are we all the same
I count all of the memories
The bitterness of old
How is my life unfolding

Stay because I'm feeling alone
And I need you more than you know
Don't leave me because I'm under attack
And you don't have a reason to go
Don't leave me alone

I'm gonna end up
Gonna end up wasting away
I'm gonna end up, wasting away

Stay because I'm feeling alone
And I need you more than you know
Don't leave me because I'm under attack
And you don't have a reason to go
Don't leave me alone

Stay because I'm feeling alone
And I need you more than you know
Don't leave me because I'm under attack
And you don't have a reason to go
Don't leave me alone

Don't leave me alone
Don't leave me alone
