Love come down upon us till you flow like water

Burning with the hope of insight

Feathered look their covered with a bright elation

Stolen in the sight of love

CHORUS

We are we are we are

but your children

Finding our way around indecision

We are we are we are

Ever helpless

Take us forever

A whisper to a scream

Birds fly

In the eyes of the faithless daughter

Broken

At the bitter end

Wasted

Sacrificed for a new nirvana

Nighttime sends us on our way

CHORUS

We are we are we are

But your children

Finding our way around indecision

We are we are we are

Ever helpless

Take us forever

A whisper to a scream

A whisper to a scream

A whisper to a scream

A whisper to a scream

A whisper to a scream

repeat chorus to fade
