Love come, down upon us 'til you flow like water  
Burning, with the hope of insight  
Feathered, look they're covered with a bright elation  
Stolen, in the sight of love

We are, we are, we are but your children  
Finding our way around indecision  
We are, we are, we are ever helpless  
Take us forever, a whisper to a scream

Birds fly, in the eye of the faithless daughter  
Broken, at the bitter end  
Wasted, sacrifice for a new nirvana  
Night time, send us on our way

We are, we are, we are but your children  
Finding our way around indecision  
We are, we are, we are ever helpless  
Take us forever, a whisper to a scream

A whisper to a scream

We are, we are, we are but your children  
Finding our way around indecision  
We are, we are, we are ever helpless  
Take us forever, a whisper to a scream
