"If only could, I'd be running up that hill.  
If I only could, I'd be running up that hill."

It doesn't hurt me.  
Do you want to feel how it feels?  
Do you want to know, want to know that it doesn't hurt  
me?  
Do you want to hear about the deal that I'm making with  
god?  
It's You,  
It's you and me.

And if I only could,  
Make a deal with God,  
I'd get him to swap our places,  
Be running up that road,  
Be running up that hill,  
Be running up that building,  
And If I only could.

You don't want to hurt me,  
But see how deep the bullet lies.  
Unaware I'm tearing you asunder.  
Ooh, there is thunder in our hearts.  
There so much hate for the ones we love  
Tell me, that we both matter, don't we?  
Its you,  
It's you and me,  
I won't be unhappy.

And if I only could,  
Make a deal with God,  
I'd get him to swap our places,  
Be running up that road,  
Be running up that hill,  
Be running up that building,

And, if I only could,  
Its you,  
It's you and me,  
I won't be unhappy.

"C'mon, baby, c'mon darling,  
Let me steal this moment from you now.  
C'mon, angel, c'mon, c'mon, darling,  
Let's exchange the experience,"

If I only could,  
Make a deal with God,  
I'd get him to swap our places,  
Be running up that road,  
Be running up that hill,  
Be running up that building.

And if I only could,  
I'd make a deal with God,  
I'd get him to swap our places,  
Be running up that road,  
Be running up that hill,  
With no problems.

And if I only could,  
Make a deal with God,  
I'd get him to swap our places,  
Be running up that road,  
Be running up that hill,  
Be running up that building.

And if I only could,  
I'd make a deal with God,  
I'd get him to swap our places,  
Be running up that road,  
Be running up that hill,  
With no problems.
