Changing sides, follow lines  
Frequencies decide  
Who designed me this way?  
And who's around to play?

Adjust, my gain  
Replace my fear with pain  
I'm on a wave  
Select any game to save

Will we fight it?  
Will we play?  
Will we start all over again?  
Well we better do something  
I'm losing this game again  
The same old game

Time to change, I'm corrupted  
Change my disk  
Erase me, re-boot, delete  
I've had enough, my trash bin is full now  
Empty my head, please give me the chance

New start, re-start  
Empty pages  
Make some changes  
Install everything new  
I'm sick of you

Hunting my thoughts  
I don't wanna be your android anymore

New start, re-start  
Install everything new  
Erase me, re-boot, delete

Will we fight it?  
Will we play?  
Will we start all over again  
Well we better do something  
I'm losing this game again  
The same old game

Adjust  
My gain  
Replace my fear with pain  
I'm on  
A wave  
Select any game to save
