Prove and disprove  
Efficiency of prayer  
Supposed to be harmless  
Can never get enough  
A three headed watchdog  
This, my revelation  
My only disease  
A manifest of life  
If I could reach through  
Catch you  
Make you understand  
If I'm not dead enough for life  
Am I alive enough for death?  
If I could reach through  
Catch you  
Make you understand  
If I'm not dead enough for life  
Am I alive enough for death?  
A gift from the unknown  
Promises they gave us  
Rejection of faith  
An eye for this purpose  
Emotional images  
Drawn with a single line  
Our methods are unsound  
A life I cannot offer  
I cannot offer  
If I could reach through  
Catch you  
Make you understand  
If I'm not dead enough for life  
Am I alive enough for death?  
If I could reach through  
Catch you  
Make you understand  
If I'm not dead enough for life  
Am I alive enough for death?  
\*instrumental bridge\*  
If I could reach through  
Catch you  
Make you understand  
If I'm not dead enough for life

Am I alive enough for death?  
If I could reach through  
Catch you  
Make you understand  
If I'm not dead enough for life  
Am I alive enough for death?  
(repeat to end)
