Let me feel the strength that you felt
Still hunting in your eyes
Let me taste the life that you have tasted
Let me feel the power of your supplies
Let me reach my goal
Give me the shimmering in your eyes
I'm here to claim my soul
And the shimmering in your eyes
The other half of me
And all the pieces are left behind
I'm here to claim my soul
And the shimmering in your eyes
The other half of me
And all the pieces are left behind
That are left behind
You are my drugs
You are my demens
Am I still alive?
I always knew some thing were missing
Let me feel the pain that you felt
I'm still counting the days
Still drifting, searching for myself
For myself...
I'm here to claim my soul
And the shimmering in your eyes
The other half of me
And all the pieces are left behind
I'm here to claim my soul
And the shimmering in your eyes
The other half of me
And all the pieces are left behind
That are left behind
I'm here to claim my soul
And the shimmering in your eyes
The other half of me
And all the pieces are left behind
I'm here to claim my soul
And the shimmering in your eyes
The other half of me
And all the pieces are left behind
I'm here to claim my soul
And the shimmering in your eyes

The other half of me
And all the pieces are left behind
That are left behind
