Committee style baby

Uh Huh, for all the freaks

Yeah that's right

Yeah

(Chorus) (x2)

[Luc Duc]

You don't love me you love my doggy style

And I'm known to keep it wild like the Ok Carol

And what you 'lax with just ain't my style

50 feet ain't enough I need at least a mile

[Verse 1]

I only roll in the fattest whips, got mega chips

Hanging out with some of the baddest bitches, with
mega hips

Sexy lips with the Hazel eyes, got to have plenty thighs

Rolling Acura's with Slip-N-Slide

All my niggas ride,

With the heaters on the front seat, only one deep

On the semi with a bad freak, always on the creep

Chickens ride mother plucking but that ain't nothing

And she down for the sucking fucking hit it on the
button

And it's something like some more clucking from my
bucking

The KFC when it comes to busting

We stay on crushing

But they got to holla for that dollar

So when I holla out the window of my friends Impala

You know I got her

When she go to looking at her friends

And turn around and started giving me that half a grin

It's foggy and my homie sipping on some yen

Run some came and my name then I know I'm in

Oh that's your cousin

Even better when I'm drinking yen

On the average player scale she about a 10

And her cousin too cause she got some beautiful skin

We picked em up, knock em up

Kicked em out and did it all again

Cause

(Chorus) (x2)

[Verse 2]

I be having more game then a little bit

So little dick niggas acting like they big shit

Y'all need to quit, my style be flowing like it's liquid

Them ghetto girls be dropping them drawls

Them girls y'all can't get wit

I hit it from the back and known to leave an imprint

My little sister even known for spitting that pimp shit
My little brother he the brain we call him gifted
Some women hate me so they put me on they shit list
Because I'm known for breaking them off with a stiff
dick
And breaking out before they even know I had a trip
Goddamn baby you got some beautiful lips
Sometimes I'm wondering if a nigga picked a fit
I fuck them to the point that they screaming that they
got to piss
A freaky nigga but you can keep a chain and whip
And every time I bust I'm 'bout to sink your battleship
I hit and run, sorry hun, but I got to dip
I told your sister that I'd hit her right around six
And if I'm late then you know that bitch gonna wanna
trip
You in love with a thug baby get a grip
I bust a nut and if you lucky I might leave a tip
You know why
(Chorus) (x2)
