"I hope you enjoyed your ride on the Terror Wheel. But  
it isn't over  
just yet. We have a phone number for you to call to  
hear the name  
of the third joker's card. The area code is 1-313, and  
for the rest  
of it, listen to the rhymes and match the numbers that  
go with them.  
Ahahahahaha!!!"  
Call 1-313...  
Call 1-313...  
Call 1-313...  
Call 1-313...  
The rest  
Unlock the door, and what's in store  
Will be with you forever more  
The number is (four)  
I've come to relate I never saw the gate  
All I saw was hate  
So the number is (eight)  
Everywhere I go there's a juggalo  
And he's my hero  
The number is (zero)  
The juggalos key will forever be  
Hand in hand with me  
The number is (three)  
The essence of time, yours was mine  
Inside the rhyme you will find  
The number (nine)  
The moon and the sun, the sword and the gun  
Is what I've become  
Now the number is (one)  
Now I will go a carnival show  
Figure out the rhymes and you'll know  
The last number (zero)  
(Phone number: 1-313-480-3910)  
Call to reveal the third joker's card
