I've lived one hell of a life  
If you're to take it tonight.  
I've lived the life of a king.  
But so much to darken my life.  
Looking 360 Degrees  
200,000 diseased  
How can I lay back and chill  
So many down on their Knees

But then again who am I  
I'm just some typical guy  
I ain't no fuckin hero  
I've just been wondering why

I've seen some children crossing the bridge  
What kind of life did they get to live  
What kind of choice do they get to make  
What if it was a childs mistake

I never question the book  
But lets say I live by the book  
I'd never eat meat on Tuesdays  
How much bigger would my wings look

I try to pray everyday  
But sometimes get lost on the way  
I've seen the holiest spirit  
So much to mislead the way

I've gave the visions I got  
I've been told I'm gonna rot  
Inside the devils intestines  
I'm still here holding my spot

I've just been wondering why  
I've just been wondering why

I've seen some children crossing the bridge  
What kind of life did they get to live  
What kind of choice do they get to make  
What if it was a childs mistake

Come on and open up your door  
What if it's a purgatory door?  
Come on and open up your door  
What if it's a purgatory door?

I've seen some children crossing thy bridge  
What kind of life did they get to live  
What kind of choice do they get to make  
What if it was a child's mistake

I've seen some children crossing thy bridge  
What kind of life did they get to live  
What kind of choice do they get to make  
What if it was a child's mistake
