

## **Icp (Insane Clown Posse) "Down With The Clown"**

Visit "[Down With The Clown](#)" on [MotoLyrics.com](http://MotoLyrics.com)

This one goes out to the ninjas  
That's been down since Carnival of Carnage  
Nah, fuck that, since Dog Beats  
Nah, fuck that, since Basement Cuts, motherfucker

[Violent J]

How long will the juggalos be down with me?  
How long till they forget me? Check it out  
What if I grew another fucking head?  
And his name was Violent Ed?  
And he head butt me every time I cussed?  
I would need two microphones when I bust  
Would you show me love even with another head  
Or would you be like, "Fuck you and Ed"?  
Or what if I sold out like a bitch?  
And took the make-up off and went soft?  
Called myself Detroit Southwest Lover  
And put my ugly ass face on the album cover  
With R & B top ten hits  
And we had Jodeci singing all over our shit  
(aaahhhh!!!!)  
Fuck that, though, yo, I'm a juggalo  
So don't forget me like you did with Menudo

[Chorus (1x)]

What about when the world's like fuck us kill us, what  
will you be? (down)  
What about when I'm 103, what will you be? (down,  
down)  
What about when the world's like fuck us kill us, what  
will you be? (down)  
What about when the carnival comes to your town? (i'm  
a be down with the clown)

[Violent J]

How long will you be down with a ghetto puppet  
I say I'm sick in the nugget and you love it  
I ate a dead body, I ain't proud of it  
I told you all about it, and you all applauded (HEY!!)  
I got problems, I'm haunted by a carnival  
I could run and tell a doctor, but what for  
I just put it on tape with a fat beat

And make a quick buck, I'm like fuck  
I could of came out sportin some Hammer pants  
Kick-steppin with Shaggs, and tryin to dance  
Making mom happy, keeping it soft  
I'd rather grab my dick and tell your mom to fuck off!  
I know then you'd probably start to trip  
And swing at me, but hit Violent Ed in the lip  
Look I don't even know what I'm trying to say  
Just don't forget me like you did with Rob Base

[Chorus (1x)]

I'm a be down, I'm a be down  
Down with the clown till I'm dead in the ground [13x]
