[Violent]:]

Something has woke my a thump on my roof, it was
followed by crashing, more thumping ensued
I jumped out of my bed thinking I'd been invaded,
heard smashing, more pounding, the sound escalated
Looked out of my window, blood dripped down thy
glass, I see bodies lay twisted and mangled on grass,
I ran into thy main room and Shaggy was dead, so was
Nate the Mac, Jumpsteady and ABK
Bolted out of thy house to see if it's a joke, I heard
hundreds of car alarms, saw flames and smoke
And thy sky above red, I see dead bodies fallin' it's
raining with corpses thy blood is appalling

[Chorus: Shaggy 2 Dope and a gang of Juggalos]

Mama told me when it rains - IT POURS, but never
mentioned Dead Bodies - DEAD BODIES
Mama told me when it rains - IT POURS, La de da da de
la da de -
DEAD BODIES

[Violent]:]

I never seen so many.... horrified looks on people's
faces...
(Thy blood is appalling)
I hope I never see what all them people saw... and put
them in there places...
(Thy blood is appalling),
The sun was so hot... So hot...
I was burning... Yeah

Dead bodies lay randomly some stack in piles, on all of
there faces pour horror, no smiles
I see children, and elders, and ninjas my age, all lay
naked and mangled, most withered for days,
I found safety a shelter I'm under a tree; only fingers
and organs come falling on me,
I lay sleepless for days as thy raining continued, thy
heat of thy sun baking corpses like food
Then it finally stopped I walk knee deep in blood, over
piles of bodies threw what was my hood
It was right at that moment thy Wraith had appeared,

and thy message it left me might sound kind of weird
But take all that I'm seeing and opposite that, truth is
I'm thy one dead and this is my Hell's Pit
