I didn't mean to kill him
Listen to me, wait
I was talkin to a fine ass date Fat titties, poofy like, POW
And she tellin me to come by, right now Oh shit,
I jumped in the wagon No more laggin, I'm taggin
This bitch dead in the ping hole Make me loose control
I showed up, I ring the ding-dong Grippin my wing-
wong,
something's wrong Who's this? Not a bitch, but a dude
And he's tellin me to beat it, fuckin rude
It's Jimmy a man, a punk ass
So I threw a left hook on 'em, splash
Then I came back with a right hook, pow
He fell to the ground, I didn't mean to kill 'em
(2x) Didn't mean to kill 'em kill 'em baby
Didn't mean to kill 'em and kill 'em baby
Oh fuck he showed up with a neck broke 25 to life,
it's no joke Don't die, bitch hang in there
I mean I really don't care, but come on Move quick,
I run to the hospital Make sure he aint dead yet, shit
There he is chillin with a neck braise
With a look on his face like, eh
Come on Jimmy it's me your homie
I even poured a little brew in your IV Don't die,
oh your tryin to speak
"Fuck you, your punches are week"
So bitch you wanna talk shit again
I jump up with a boot to the chin
Pull his lung out and start chokin Ehh,
his necks already broken He swung hit me with a bed
pan
I was just makin sure you aint dead man Fuck this,
I grab a scalpel And stick it down in his scalp,
ugh Calm down, he's dead now, fuck Here comes
somebody,
better duck Gotta hide dead Jimmy, quickly A 25 to 50,
I didn't mean to kill 'em
(2x) Didn't mean to kill 'em kill 'em baby
Didn't mean to kill 'em and kill 'em baby
Jumped out the window, I drug him home Jimmy's dead
and I'm finna get the bone If they catch me,
ah the death chair I don't care,

they'll never find him here (Ring)
Jimmy will you get that? What the fuck? He's dead,
I'm wick whack I'm nervous scared and skitzo
Ha, ha, ha, woo, ha, hello? (Yes this is detective
FuckNuts we're looking Jimmy) (He's not here wait
yea, yea here he is, This is Jimmy I'm alive not dead I
gotta go)
Oh Jimmy they bought it, ha
They'll never know I killed his bitch ass
Fuck it though, Jimmy's my room mate
He doesn't even eat that much, and that's great
We just chill all day watch videos
Call dominoes and flick off his toes
Make 'em land in the fish tank, watch 'em sink Let them
sink,
Fuck Off I didn't mean to kill 'em
Didn't mean to kill 'em kill 'em baby
Didn't mean to kill 'em kill 'em baby
