### **"I Do This!"**

*[Violent J]*

What you need? Something stole for you? Something to  
hold for you?  
need someone that you can blame shit on?  
Someone to quit on? You need a job done or  
something?  
trying to find some yay-yay-yo?  
you looking for some dirty work and I'm your way to  
go?  
you need a gun or something, ooh you looking for a  
titty bar?  
you just trying to hang with  
someone who's uglier than you are?  
(shit) well I'm your motherfucker  
I'm that motherfucking motherfucking  
In scrubby times let me be your scrubby brother...

*[Violent J and Shaggy 2 Dope]*

I do this all the time (it's the way of my life)  
I do this all the time (everyday of my life)  
I do this all the time (it's the way of my life)  
I do this all the time (everyday of my life)

*[Shaggy 2 Dope]*

A Window broke? A neck choked?  
I know you ain't already out, fuck all that edge you

I know you fucked that hooker,

for an hour, or night or forever player,

have to?
