

## Icp (Insane Clown Posse) "I Stab People"

Visit "[I Stab People](#)" on MotoLyrics.com

I...I'd like to uh, if it's cool with Jake and Jack,  
I'd like to address the juggalos, on a, uh, personal  
matter  
Because, it's not all good  
I mean, things aren't always done cool, you know I  
mean...  
I just wanna talk to you guys about a problem I got...  
Maybe you can help me

[Violent J]  
I stab people, 4, 5 people everyday  
I tried to see a shrink to stop that shit but it ain't no  
FUCKing way  
I stabbed him, stabbed his nurse and his fucking cat  
Stabbed them! Stabbed them all like that  
I stab people I know, I stabbed Alex, my manager  
He was like, "WHAT THE FUCK?!" I stabbed him in the  
gut!  
I order food just to stab the guy when he gets there, I  
don't care  
I stab anybody anywhere (uh, uh) there  
I stabbed the mailman, he was pissed, he tried to mace  
me  
I'm to quick with the stabbing, come on, come on, taste  
me  
I stabbed Twizted, Jimmy Madrox, I stabbed 'em  
Myzery stabbed me OWW!! Goddamn him!  
I stab old people, ladies, little kids, I DON'T GIVE A  
FUCK!  
I stabbed a fat guy in the but (hehe), what?  
I met Pete Rose and stabbed him, twice in his nipple  
I'm Violent J, I stab people.

Maybe somebody can help me [4X]
