Violent J:

"And they wanted to know if I would trade 10 juggalos
for a 100 main stream fans And I said I wouldn't trade
10 juggalos for a 100, 000 mainstream fans 10
juggalos is priceless to me"

Blaze Ya Dead Homie:

I gots love for my homies, members of the Lotus
United we stand, squashing all deadly forces
Been to hell, could of spent eternity there
All the bad shit I've done, I should still be there
Juggalos can ya feel me, feel me, worldwide,
worldwide

Running with the hatchet straight out the Lotus Pod
Always got your back till the end screaming juggalos
Dark lotus, psychopathic that's the way you go
Monoxide Child:

So many people in the matrix die alone, hey
Not me, my soul belongs to juggalos, they
Keep me going when I'm down and out
I pick the phone up drop them a line and here them
shout

Saying Twiztid is the shit, and I'm down with the clown
Dark Lotus for life until I'm dead in the ground!
I give a dap to all my homies and killaz who get it
started

All my juggalos always represent for the departed
Chorus:

Mass murder makes me happy!
Dead bodies make me happy!
Say what you will of me
I'll always have juggalo family!
Mass murder makes me happy!
Dead bodies make me happy!
Say what you will of me
I'll always have juggalo family!

Shaggy 2 Dope:

6 individual pedals formed from 1 stem
Who try to run away and not follow any trends, no
friends
Cause we accend from the dirt, filth, grit, and grime
And combine Juggalo minds to crush Mason shrines
What's yours is mine it was mines is yours

Let the wagons of the Dark Carnival show you different
worlds
Any hoes front a juggalos or the hatchet
Tell them to come suck on your dick, we psychopathic!
Jamie Madrox:
All my life I've been living it all alone
I'm like a king with no people and no crown or a throne
And what I'm speaking on is what I'm feeling like
Do you know what it feels like to feel the warmth of the
sunlight
I'd really like to know cause I've been chilling in the
dark
For so many years that I question love in my heart
And I hate everyone, and I hate everything
Except for all the juggalos and the love that they bring!
(Chorus)
Marz)
Let me get your ear and make myself clear
It's the L Family Juggalos right here
You can take away my mic you can take away this life
But this love we got ain't never gonna stop
We eternal, pass the earthly bullshit
Dogs on another level can you feel this
It's Twisted, Blaze and ICP,
And if you're fuckin with my dogs then you D-I-E!
Violent J:
If it wasn't for Shaggy my shirt would still be baggy
I wouldn't be fat, I'd still be hungry and crabby
We used to buy our own records at the stores
So they would think it's a hot seller, and order more
But we built a team of same killers with the same
dream
But we couldn't reach the top, we'd stay B level like
Charlie Sheen
Finally realized we will always have the juggalos
I'll never give another second, to them other hoes!
(Chorus x3)
Lotus!
Lotus! Lotus! Lotus! Lotus!
"And they wanted to know if I would trade 10 juggalos
for a 100 main stream fans And I said I wouldn't trade
10 juggalos for a 100, 000 mainstream fans 10
juggalos is priceless to me"
(Chorus x2 repeats and fades out until song ends)
