I'm sick of this bull shit
All these bitches thinking they're the fuckin whip just
cuz they got a neden
Fuck yer neden bitch!
That's right an don't call me sexist cuz I aint sexist
I'm the sexiest but I aint sexist
If I'm sexist then I'm the sexiest sexist
Bitch call me sexy sex sexy sexist!

I see you hoes on TV glamorous models super
celebrities
Rolls-Royce fine wines and class
You need to come down to the hood let me spank dat
ass
I want a famous hoe,
A bitch on top with some helly bank role,
I been chasin a girl from letters to Cleo
But she broke her neato,
Mariah Carry man forget it
If O.D.B hit it I can't fuck wit it!
Nuttin against ole dirty or nuthin but
I know he at least got herpes or something
I wouldn't mind fucking Brittany Spears
In a cheap hotel with them ceiling mirrors
Gimme that bitch, in a couple of weeks
I'd have her hooked on crack rock workin the streets
All them hoes fantasise
About juggalo scrubs in between they thighs,
But they too scared to let it be
So instead they fuck Ricky Martin
And pretend it's me!

[Chorus x2]
Let a killer fuck you.
Let a killer fuck you.
Let a killer fuck you right!
Let a killer fuck you.
Let a killer fuck you.
Never gone back in the night.

Huh? Let's see where to begin
Knock knock "who's there?"

A ball sac for ya chin
I be fuckin them business hoes at Jive
From them interns up to the presidents wife
Now Shelly aint famous but I still put em in a bone
through
Leave the glitzy glaze grabbin a j
I don't give a fuck,
But Clyde walked in his jaw dropped down
Act like he never seen the butt cheeks of a clown
I had the secretary on the top of the desk
Ass hole naked, I was in the cigar chest
Smoking on cuban blunts with the janitor
I fucked all them hoes at Jive ask my manager
Business women in executive halls
Let yo head down an tongue slap my balls
Some of them bitches are a little bit old
Dusty ass neder with a loopy foam
Like this one chick I fucked in the dark
I had the bitch moanin like a happy ass retard,
We finished turn on the lights it was horrid
Oh shit Sharon Osbourne!

[Chorus x2]

Let a killer fuck you.
Let a killer fuck you.
Let a killer fuck you right!
Let a killer fuck you.
Let a killer fuck you.
Never gone back in the night.

I whanna fuck Carmen Electra
Cuz she'll fuck anybody first day she met ya
But as soon as she fall off the map
She on to the next guy like "sigh" baby
Let me fuck a famous hoe one night
Ill post the video up on our web site
Hey me an shaggy may might sit with the stars
But my boyz are out back breakin into your cars
Dumb hoes quit fuckin them richees
Wit silky shirts on turtle neck dickeys
Frenchies straight out the hair salon
With a faggot ass name like Jean
We the ones from the other side yellin
"clown love bitch "!!
Im the ghetto ride
I wont take you on the expensive trip's
But I'll part yo neder lips
Hehhe people wanna ride wit dem or us
Jaguar with Ken or a simple bus
Fuck you then we don't need you hoes
I.C.P forever with the juggalos

[Chorus x4]
Let a killer fuck you.
Let a killer fuck you.
Let a killer fuck you right!
Let a killer fuck you.
Let a killer fuck you.
Never gone back in the night.

Im sick of this bull shit that's right you need to stay on
TV
Because this is my reality
But I'm even sick of these hottys in the real world like at
the beach
I see you at the beach bitch wearing your thong bikini
You one of those bitch beaches

Your one of them a you a bitch at the beach
