This one goes out to that special someone in my life,
We all have someone special, this is for them
I like ice cream, cherry pie and lemonade with summer
breeze
I like rainbows, leafy trails, and puppy dogs with
bumble bees
I like cotton candy candy gum and bumper cars and
carnivals
Golden skies and hazel eyes and sand in between my
toes
But
Something tells me that I hate you
Something tells me I must kill you
You ain't shit but a slutty ass mother fucker
Slut you fucking whore, I fucking hate you.
I like birthday candle cakes and titty shakes with
silicone
Secret whispers and D-Loc's sister and apple dips and
gingerbread home
Faygo chills they give me thrills and nyquil pills they
make me sleep
Hershey kisses and happy misses and something so
bliss yet all the while
??
Something tells me that I hate you
Something tells me I must kill you
Suck my fuckin dick fuck off
Go fuck your self you funky ass biatch
Come on, come on (bitch)
Come on, come on (bitch)
I fuckin hate you
Come on, come on (bitch)
Come on, come on (bitch)
if I was you I'd slap that bitches nipples shut.
I like shaggy, he's my friend I like his mom cause she's
nice to me
Thank you j, I like you too, well it's OK, we're family
Raver chicks and kung-fu flicks and sugar sticks like
lollipops
All of these things have *happiness brings, but my
hatred for you don't
Stop

Something tells me that I hate you
Something tells me I must kill you
[repeats until song ends]
