[Laughter]

Where can I go they don't want me no mo'

Where can I go they don't want me no mo'

What if I plugged a screwdriver up into they guts

Would they mouths be laughin' at me or would they
keep 'em shut

I'm running out of options and my patience now is thin

I'm goin' round and round I don't know how to get out
or how to get in

Where can I go they don't want me no mo'

Where can I go they don't want me no mo'

What if I bought a gun and shot a slug in they back

Would shit change for the better how would they all
react

I'm running out of options and my patience now is thin

I'm racin' round and round can't find the door some
fuckin' body let me in

I I I I'm in the madness (Lost soul) I'm deep within the
madness

I I I I'm in the madness (Lost soul) I'm deep within the
madness

Where do I stand when I'm all on my own

Where do I stand when I'm all on my own

What if I drive a drive a butcher's knife through the top
of your head

Would you invite me to your parties make me your
friend

I'm running out of options and my patience now is thin

I'm swingin' round and round I'm up and down and I'm
back and fuckin' forth again

Where do I stand when I'm all on my own

Where do I stand when I'm all on my own

What if I swung a bat and cracked your head of your
neck

Would you then let me in and show me love and
respect

I'm running out of options and my patience now is thin

I'm walkin' round and round in a parkin' lot with a knife
and a note and a loaded mach ten

I I I I'm in the madness (Lost soul) I'm deep within the
madness

I I I I'm in the madness (Lost soul) I'm deep within the

madness

III

III

I'm running out of options and my patience now is thin

I'm flippin' round and round and I'm up and down and

I'm deep within the madness

Where do I stand when I'm all on my own (I'm deep
within the madness)

Where do I stand when I'm all on my own (and back and
fuckin' forth again)

III I'm in the madness (Lost soul) I'm deep within the
madness [x4]
