Carnival of Carnage,
The Ringmaster,
The Riddle Box,
The Great Milenko,
The Amazing Jeckel Brothers,
And The Wraith

Looks like were all out of time brother!
Everybody's out of time!
Fuck It, We gots to tell them
All secrets will now be told
No more hidden messengers
This is it yall
Times up
Everything be out right here
No need for the reverse talking
The truth.

Now we have been told this carnival shit has touched
many lives.
People have fuckin' sworn to us they too can feel it
inside.
What is it that draws you in, this magic that compels
you?
We've been waiting six fuckin' joker cards to finally tell
you.
This messengers and hints were there, all though most
never picked up on them.
We snuck em' in subliminally with that wicked shit
around them.
We mentioned more and more of this on every Joker's
Card.
The bottom line always the same, you ain't have to look
hard.
We wickedly kick it, inflict it, you get it, get with it and
dig we don't preach it flat, cause some ninjas don't
wanna get with ya, they quick to forget ya without the
hatchet and gat out.
So we rose the hatchet, do or die, now Juggalos
standing tall, after all 6 have risen the end of time will
consume us all. It ain't got nothing to do with us, It ain't
Psychopathic Records!

All we're doing is pointing this shit out to you, we in this together! Who's behind the Dark Carnival, the Gatherings and the hatchet? Who's behind Dark Lotus, the circus and everybody at it?

Who invited Juggalos and Juggalette and fucking Faygo showers? What about that feeling you get when bumping our shit, who's behind these Juggalo powers? This ain't no fucking fan club, It ain't about making a buck. Don't buy our fucking action figures bitch, i don't give a fuck. It ain't About Violent J or Shaggy, the Butterfly or seventeen.

When we speak of Shangri-La, what you think we mean? Truth is we follow GOD, we've always been behind him, The Carnival is God and may all Juggalos find him!

May The Juggalos Find Him!
May The Juggalos Find Him!
May The Juggalos Find Him!
He's out there, He's Out there!

We're not sorry if we tricked you!
We don't care what happens now.
We're not sorry if we tricked you!
We swing our hatchet and we're proud.
We're not sorry if we tricked you!
Painted faces in the crowd.
We're not sorry if we tricked you!
The Carnival will carry on.

He's Out There!
May The Juggalos Find Him!
He's Out There!
May The Juggalos Find Him!

We're not sorry if we tricked you!
The Carnival will carry on.
We're not sorry if we tricked you!
The Carnival will carry on.
We're not sorry if we tricked you!
Painted faces in the crowd.
We're not sorry if we tricked you!
Our carnival will carry one.

Yeh, he's everywhere!
I'm saying he's anywhere!
Juggalos, he's out there!
Yeh, yeh, everywhere!
He's Out There

Come see the show,

Big top show,
Walk in and hang with the dead carnival
Dead dirty carnies, dead juggalos
Walk in and hang with the dead carnival

He's out there!

Juggla, Juggla, fuck with the juggla
Juggla, Juggla, fuck with the juggla
Juggla, Juggla, fuck with the juggla
Ya can't fuck with the juggla

May the Juggalos find him!
May the Juggalos find him!
He's out there!
May the Juggalos find him!
May the Juggalos find him!
He's out there! He's out there!

We all gonna die, but I'm not gonna fry
Even though most never try.
I'm not gonna let this pass me bye, no.

This is our world! This is our world! This is our world!
SO GET THE FUCK OUT!
This is our world! This is our world! This is our world!
SO GET THE FUCK OUT!

We're not sorry if we tricked you!
We don't care what happens now.
We're not sorry if we tricked you!
We swing our hatchets and we're proud.
We're not sorry if we tricked you!
Painted faces in the crowd.
We're not sorry if we tricked you!
The Carnival will carry on.
