### **"To Catch A Predator"**

I'm on the internet, posing as a little girl  
I'm trying to lure evil into my world  
I tell 'em that I'm curious, and I'm only twelve  
Mom and dad are gone for the day, I'm by myself  
Buckets that I throw up are next to my computer  
Hoping that they show up, cuz what I'm about to do to  
'em  
Would make the Devil sick, I sharpen my blade  
Fronting to this perv like I'm only in the seventh grade  
The doorbell rings, I gotta get him inside  
In my best little girl's voice, I'm like, "Hi!  
Come on in! I'm putting on my bikini!"  
Huh, and when the door shuts, that's when I let 'em see  
me  
"Hi there." I stab 'em in the neck first  
Cuz it hurts, get 'em where the blood squirts  
Carve his whole face off and make him eat it  
Chain him up by the foot in the basement, bleeding

I'm prob'ly gonna burn for this  
Ain't no lesson to learn from this  
There's nothing Imma earn  
But it sure is fun  
(To catch a predator)  
I said it sure is fun  
(To catch a predator)  
And it sure is fun  
(To catch a predator)  
I'm prob'ly gonna burn for this  
Ain't no lesson to learn from this  
There's nothing Imma earn  
But it sure is fun  
(To catch a predator)  
I said it sure is fun  
(To catch a predator)

Soon enough, feds will be shutting down my service  
Cuz people out there, think they don't deserve this  
Until it's your kid an old man's finger fucking  
Titty sucking, then you want the knife stuck in

I don't blame you, that's why I catch 'em in advance  
While his dick is still in his pants, they never get the  
chance  
I tell 'em I'm alone and I'm only thirteen  
"Looking for a good time, you know what I mean?"  
Bring me some Funyuns and a Slurpee  
"Promise not to hurt me, or give me Herpes"  
And within twenty minutes, here comes a fucking  
doctor  
Knocking on my door, a pedophile butt-knocker  
"Come in, have a seat," and then I stroll in  
With the all-purpose hunting blade straight up his  
(colon?)  
I cut his hands off, he ain't touching nobody  
Chain him up by the foot in the basement, bloody

*[Pedo]*

Wait, please, mister clown, sir, you don't have to do-

*[Violent J]*

Zip it!

*[Pedo]*

Wait, please! I've got money, we can-

*[Violent J]*

Shut it, fucker!

*[Pedo]*

Please we can work this out!

*[Violent J]*

Silence, I said!

Stick him next to this other fool, both left for dead  
Every time I walk by him, I punch him in the head  
Cut they fucking dicks off, stick 'em in each others  
mouths  
Now what y'all talking about!?

I'm prob'ly gonna burn for this  
Ain't no lesson to learn from this  
There's nothing Imma earn  
But it sure is fun  
(To catch a predator)  
I said it sure is fun  
(To catch a predator)  
And it sure is fun  
(To catch a predator)  
I'm prob'ly gonna burn for this  
Ain't no lesson to learn from this  
There's nothing Imma earn  
But it sure is fun  
(To catch a predator)  
I said it sure is fun  
(To catch a predator)

What's in the bag?  
Funyuns and condoms  
Why did you bring condoms?  
I didn't mean to!

The house is getting funky, bodies in the basement,  
stinking  
What the fuck am I thinking?  
I put my face paint on, go downstairs and beat they ass  
sometimes  
Cuz it ease my mind  
Some of them are dead, and some are still living  
But Imma hurt 'em every chance that I'm given  
I hit em with the nail gun, or the stun gun  
They can't run, so they both mad fun  
I was sawing a head off when I heard the doorbell  
I'm not expecting any predators, but oh well  
I took my spot, "Come in, I'll be right there!"  
But I left a head sitting on the living room chair  
He seen it and ran, I had to give chase  
We cut across the lawn with my knife swinging for his  
face  
I threw it, stuck him in the back of the neck  
Still in my drawers, I dragged him home a bloody  
wreck

*[J and Predator fight and the Predator keeps screaming  
for help while J tries to make him be quiet]*

A bus full of high school kids watched it happen  
He kept screaming like a pansy despite my slapping  
Plus the neighbors seen it, and so did the mailman  
But they all never said nuttin' 'bout it again

I'm prob'ly gonna burn for this  
Ain't no lesson to learn from this  
There's nothing Imma earn  
But it sure is fun  
(To catch a predator)  
I said it sure is fun  
(To catch a predator)  
And it sure is fun  
(To catch a predator)  
I'm prob'ly gonna burn for this  
Ain't no lesson to learn from this  
There's nothing Imma earn  
But it sure is fun  
(To catch a predator)  
I said it sure is fun  
(To catch a predator)

*[Audio, supposedly from the show "To Catch a Predator"]*
