Ladies and gentelman, welcome to the sensational and
amazing... Carnival of
Carnage! They said it couldnt happen, they said it
wouldnt last, but boys and
girls and everyone weve got a carnival for that ass!
Tens of thousands of
freaks, sideshows, and fools, a carnival who together
lives by there own rules
We looked into the stars, foretold everyone, something
dark and wicked this way
comes. We told of oddities, crawling from the dark,
and a carnival which we can
all belong. I dwell upon the streets, and I can tell you
this: I see some
circus, Juggalo shit going on. People drawn together,
by rare and scrubby
music, and we even gather once a year to PUT IT
DOWN!
With tilt-a-whirls and merry goes', and carnivals of
Faygo, were just trying to
tell you abot the light, right. Now all the Jokers Cards
have fallen with
spectacular array, so when the Wraith is calling, walk
into the light, right.
I hold a bloody axe, dress in hatchet red, we speak
languages people dont
understand. I send Faygo's via punted clear across a
stadium in fashion only
fuckin' Juggalos could ever demand. I got ninjas in my
backyard wearing Anybody
Killa paint, Im thinkin' "What the fuck is going on?"
Then i see the platinum
on the wall, and i realize the Carnivals been right here
all along, so lets
bring it on.
With tilt-a-whirls and merry goes', and carnivals of
Faygo, were just trying to
tell you about the light, right. Now all the Jokers Cards
have fallen with
spectacular array, so when the Wraith is calling, walk
into the light, right.
The crows have overlooked, we gave you all they gave,

the carousel will spin on
through the night. In Oz I'd be the Wizard, 'cause I'm
overwhelmed, but we hoped
the Jokers Cards would point you out to the light /So you
will be tight/ Right
With tilt-a-whirls and merry goes', and carnivals of
Faygo, were just trying to
tell you about the light, right. Now all the Jokers Cards
have fallen with
spectacular array, so when the Wraith is calling, walk
into the light, right.
