"Catch Me If You Can"

Visit "[Catch Me If You Can](#)" on MotoLyrics.com

You were the first to build me up
You were the first to tear me down
You were the first to teach me that love ain't enough to
stick around (stick around)
Now you're the last thing on my mind
And too freakish fast for you this time
I won't look back on someone who will never
understand what I provide(I provide)
But uh, oh, now I got ya pissed off
I walked out before you could run off
Now I ain't about to make this easier on you

(Chorus)

Cause' I never loved nobody
Like I loved you
Was your number one fan (your number one fan)
Now catch me if you can (catch me if you can)
For all the time you've wasted
For all the love I traded
I did it again (again)
I did it again
You probably still think that I'm your man
Well girl catch me if you can
Catch me if you can

Ohh uh ohh

I saw a million flashing signs
Telling me to run as fast as I
Could never understand how somebody like you could
even sleep at night (sleep at night)
But this hurts just like it helped me
This sucks but you don't deserve me
You're tryin to chase me out the door but it's too late
(Chorus)

Cause' I never loved nobody
Like I loved you
Was your number one fan (number one fan)
Now catch me if you can (catch me if you can)
For all the time you wasted
For all the love I traded
I did it again (again)

I did it again
You probably still think that I'm your man
Well girl catch me if you can
Catch me if you can

ooh uh ooh

This is my affliction
You were my addiction
I am such a fan
Catch me if you can

This is my affliction
You were my addiction
I am such a fan
Girl I'm not a fan

(Chorus)
Cause' I never loved nobody
Like I loved you
Was your number one fan (number one fan)
Now catch me if you can (catch me if you can)
For all the time you wasted
For all the love I traded
I did it again (again)
I did it again
You probably still think that I'm your man
Well girl catch me if you can
Catch me if you can
Catch me if you can
Catch me if you can

You probably still think that I'm your man
Well girl catch me if you can
