Do do do do do
Oh oh
Do do do do do
Oh oh

This girl
Her eyes
It just don't get any better
Her smile
It shines
I bet she could change the weather
(Do do do do do)
Oh oh

My friends
(My friends)
They've tried
(They've tried)
No one can seem to get her
My tongue
(My tongue)
Gets tied
(Gets tied)
I just can't say whatever

When she's near me
My heart beats double time

'Cause she's untouchable
There's a force field around her
She's untouchable
And she's rocking out my world
(Whoa, whoa, whoa)
I gotta have her now
I gotta find a way
She's untouchable

Do do do do do
Oh oh
Do do do do do
Oh oh

She's out
(She's out)
Of reach
(Of reach)
That only fuels my obsession
I lose
(I lose)
My feet
(My feet)
Just trying to find her direction

I can't think straight
She's my soulmate
I wish she wasn't just in my mind

Oh, 'Cause she's untouchable
There's a force field around her
She's untouchable
And she's rocking out my world
(Whoa, whoa, whoa)
I gotta have her now
I gotta find a way
She's untouchable

I wonder if she knows
Just how much she glows
(Oh, oh, oooh)
She's probably heard it all
What's the chance she'll fall
For me

Do do do do do
'Cause she's untouchable
There's a force field around her
She's untouchable
And she's rocking out my world
(Whoa, whoa, whoa)
'Cause I can't just sit around
When she's the one for me
I gotta have her now
I gotta find a way
'Cause she's untouchable
(Oh oh, Do do do do do)
She's untouchable
(Oh oh, Do do do do do)
Hey
I gotta have her now
I gotta find a way
'Cause she's untouchable
