No matter what you do  
I'll never stay in your dog pound  
Don't teach me every trick you know  
I'm not your common rolling-over hound  
Oh, you can't make me heel  
The way that I heeled before  
'Cause now I am done complying

So try to tie me up to your tree  
I'm underdog on parole  
Chain and collar me, I'll break free  
I'm underdog on parole  
Just try to tie me up, you'll see  
I'm underdog on parole  
I'm underdog on parole  
Underdog on parole

No matter who you are  
I'll look up at the moon and howl  
I'm loyal only to myself  
Come near my buried bones and hear med growl  
Oh you can't make me beg  
The way that I begged before  
'Cause now I am through with crying

So try to tie me up to your tree  
I'm underdog on parole  
Chain and collar me, I'll break free  
I'm underdog on parole  
Just try to tie me up, you will see  
I'm underdog on parole  
I'm underdog on parole  
Underdog on parole

You don't know what I know

You loosen my leash very slow

Tie me to your tree

I'll break free

Chain and collar me

I'll break free

Tie me to your tree

Chain and collar me

I'll break free, you'll see

Try to tie me up to your tree

Underdog under parole

Chain and collar me, I'll break free

Underdog on parole

Try to tie me up, you will see

Underdog on parole

Chain and collar me

I'll break free

Underdog, oh

Try to tie me up to your tree

I'm underdog under parole

Chain and collar me, I'll break free

I'm underdog on parole

Just try to tie me up, you will see

I'm underdog on parole

I'm underdog on parole

Underdog on parole

Tie me to your tree

I'll break free, you'll see

Tie me to your tree

Underdog, you'll see
