I've been loving you forever

ain't nobody gonna say that's a lie

No no through the years of stormy weather
I have never stopped loving you

'Cause nobody loves you like I do

I said baby come and get it

if you take it, won't regret it
I'm your lady (I'm your lady)
Oh my darling, ain't it funny

you and me is how it should be
I'm your lady (I'm your lady)

I said baby come and get it

if you take it, won't regret it
I'm your lady
Oh my darling, ain't it funny

you and me is how it should be
I'm your lady

Can't deny that it's confusing

being close enough to touch you
but never so far away from you
But in my heart I feel your loving

that's the only thing I'm gonna see

Baby we belong together you and me and me oh I

I said baby come and get it

if you take it, won't regret it
I'm your lady (I'm your lady)
Oh my darling, ain't it funny

you and me is how it should be
I'm your lady (I'm your lady)

I'm your lady your my man

Baby come and get it
won't regret it, won't regret it

Baby come and get it
won't regret it, won't regret it

I said baby come and get it

if you take it, won't regret it
I'm your lady (I'm your lady)
Oh my darling, ain't it funny

you and me is how it should be
I'm your lady (I'm your lady)

I'm your lady your my man
