

Ida Corr "Man For Me"

Visit "[Man For Me](#)" on MotoLyrics.com

I ain't gonna be your baby

knowing what I just know about you (about you)
You go from everything to nothing

within a second not a minutes gone by
Promises of a twosome future

when I know tomorrow won't last no
You say that love is kinda endless

so why not share love with any girl there

I don't want nobody baby

who can't see the light in me
I can be the sweetest lady

if you treat me how I should be
Ohh ohh you are all I need a man to be
if only you'd be loving all of me

Weeks and weeks are being wasted

only waiting for that glories day
You can love me how I want it we'll fit

togetherness in every way
But infinity's a long way I'm not sure

I'll make it can't take it
I'll just end up breaking
Uh but for now you have me hoping

'cause you promised you'd come by this Saturday

I don't want nobody baby
who can't see the light in me
I can be the sweetest lady

if you treat me how I should be
Ohh ohh you are all I need a man to be

if only you'd be loving all of me

My heart is breaking (my heart is breaking)

into thousand pieces

'cause I know that it's a known fact

you are the best thing I never had

I don't want nobody baby

who can't see the light in me

I can be the sweetest lady

if you treat me how I should be

Ohh ohh you are all I need a man to be

if only you'd be loving all of me

I don't want nobody baby

who can't see the light in me (see the light in me)

I can be the sweetest lady (sweetest lady)

if you treat me how I should be (oh how I should be)

ohh ohh you are all I need a man to be

if only you'd be loving all of me (loving all of me)

I just want someone who loves me
