I thought that JB was some man

Don't look like no man to me
Never mind me being a woman listen up give me 1

Haha give 2 now give me 3 haha give me 3 now give
me 6

Feeling hot on the scene in the spot like a sexmachine
Just a James Brown feeling you can believe in
Shake shake your money maker till you drop
Feeling hot on the scene in the spot like a sexmachine
Just a James Brown feeling you can believe in
Shake shake your money maker till you drop
Mr. JB

Mr. JB - get up!

When I was a little kid dreaming about fame and
fortune
The only way I could succeed I thought
was by singing and dancing to the beat
Nobody I mean nobody could make me boogie like the
king of soul
You know who I mean this is my tribute to Mr. JB
Go JB go JB go go go JB

Go JB go JB go go go wah!

Feeling hot on the scene in the spot like a sexmachine
Just a James Brown feeling you can believe in
Shake shake your money maker till you drop
Feeling hot on the scene in the spot like a sexmachine
Just a James Brown feeling you can believe in
Shake shake your money maker till you drop
Mr. JB

Could have been sleeping my life away

hopes and dreams never fulfilled
Turned on the radio one day and a voice said get on up
get on up

So demanding and convincing felt like I only had one
choice
to spend my life so good and bright no regrets just
success
Go JB go JB go go go JB

Go JB go JB go go go wah!

Feeling hot on the scene in the spot like a sexmachine
Just a James Brown feeling you can believe in
Shake shake your money maker till you drop
Feeling hot on the scene in the spot like a sexmachine

Shake shake your money maker till you drop
