I hear voices all around,
People talk'n about the way I look at you.
Boy, I've got you as my secret
and my dirty little fantasy too, yeah.

Lets go dancing,
Dance the whole night away, ay...
Sweet romancing,
Tell me how you wanna play, ay...

Now come closer
and let me watch ya.
I'll give you everything,
if you wanna.
Now come closer
and let me touch ya.
I'll tell all about
how I'm gon' treat ya.

Gonna be a Naughty Girl, Girl (x9)
Gonna be a Naughty Girl, Girl (x9)
(Come and get me)

I just love the way you touch me,
How your fingers always seem to find their way.
No imaginary lava,
can compete with what you do or what you say.

Lets go dancing,
Dance the whole night away, ay...
Sweet romancing,
Tell me how you wanna play, ay...

Now come closer
and let me watch ya.
I'll give you everything,
if you wanna.
Now come closer
and let me touch ya.
I'll tell all about
how I'm gon' treat ya.
