All aboard
Are you ready for the truth today?

I was young, not so long ago
Thinking nothing i would do could ever come
I was wrong
And now i know
That in fact what goes around, comes around

It goes around
Comes around
What goes around
Comes around
Goes around
Goes around
Comes around

All aboard
Are you ready for the truth today?
All aboard
Are you ready ready ready

So naive

Nothing in this life could bring me down
I realise, that it ain't so
But whatever goes around, comes around

It goes around
Comes around
What goes around
Comes around
Goes around
Comes around

Was only me, myself and i
Only dancing to my very own sound
But i was wrong
And now i know that in fact
what goes around, comes around

It goes around

Comes around
What goes around
Comes around
Goes around
Comes around
What goes around
Comes around
Goes around

All aboard
Are you ready for the truth today?
All aboard...
Are you ready ready ready

It goes around
Comes around
What goes around
Comes around
Goes around
Goes around
Comes around
What goes around
Comes around
