A blue eyed girl loved wild eyed boys  
Who would tie her to a tree  
She stepped on flowers, cut her hair  
With no one there to make her see  
That sometimes it's alright to be wrong  
That sometimes it's okay to just let it go

Even though he tried to please her  
He didn't make a stand  
So she got arrested, they said she only used  
Him and gave him away  
They often speak about her  
But no one knows her truth  
She tries to laugh about it  
But they've already hurt her youth

Ref.  
So she wrote on the big, blue sky  
I am gone, gone, I am gone, I'm gone  
And I moved away from here long ago  
I've already flown away

The blue eyed girl never needed someone  
To tell her right from wrong  
Got caught up in a rumour just because she  
Loved to sing her song  
From now on she walks alone  
Without anyone's permission  
She has learned that happiness lies in finding  
Your beliefs

Ref.  
So she wrote on the big, blue sky  
I am gone, gone, I am gone, I'm gone  
And I moved away from here long ago  
I've already flown away

A blue eyed girl loved wild eyed boys  
Who would tie her to a tree  
She stepped on flowers, cut her hair  
With no one there to make her see

Ref.

So she wrote on the big, blue sky  
I am gone, gone, I am gone, I'm gone  
And I moved away from here long ago  
I've already flown away  
I've already flown away  
And I've already flown away
