Can I stay a little longer tonight
Lay by your side and wait
'Till the morning comes along
I'll do you no harm
I'll be gone when you wake up
I'll be sweet
And the first to leave
If you tell me this is wrong

Ref.

Can I stay with you through the night time
Can I hold you close to me
Can I stay with you 'till the day breaks
And hear you whisper gently is this love
Hear you whisper gently is this love

We are five days apart
Until our beating hearts can make their sound
Ain't it wonderful when the weekend comes around
You're living on the road
Keeping everyone in mind and I know you care
Still I never heard you saying this is wrong

Ref.

Can I stay with you through the night time
Can I hold you close to me
Can I stay with you 'till the day breaks
And hear you whisper gently is this love
Hear you whisper gently is this love
