You say you understand the way I'm feeling  
You got that same longing in your heart  
There's nothing that we can do about it  
But I'll be missing you  
Whenever we're apart

Ref.

I see you looking like everything's alright  
I hear you saying: babe, you sure look fine tonight  
You're not the kind to give up without a fight  
Neither am I  
So please don't hold to tight  
Neither am I  
So please don't hold to tight

We walk on circles  
Even though it burns  
Keep on trying, keep on playing hard  
Keep on acting so it doesn't show  
Keep saying to ourselves  
They'll never know

Ref.

I see you looking like everything's alright  
I hear you saying: babe, you sure look fine tonight  
You're not the kind to give up without a fight  
Neither am I  
So please don't hold to tight

I keep an eye on every move you make  
I follow like a child, each step you take  
I know you said it's easy to be true  
But somehow I just forget when I'm with you

Ref.

I see you looking like everything's alright  
I hear you saying: babe, you sure look fine tonight  
You're not the kind to give up without a fight  
Neither am I  
So please don't hold to tight  
Neither am I  
So please don't hold to tight
