I can't keep you  
I know they think it's wrong  
I can't hold you  
My arms are not that long

See the star  
That shines tonight for you  
I'm gonna keep you in my heart  
My little blue  
My little blue

Ref.  
There's a place that I know  
Where you and I sometimes go  
You pick flowers  
And I watch you grow  
You got those eyes  
Just like her when she smiles  
They're nothing but blue  
Just like yours

I see heroes  
I see that burning light  
I feel you slippin'  
Still I wanna hold you tight

They say I chose  
I chose the easy way  
But the hardest thing I've done  
Is leaving you today  
My little blue

Ref.  
There's a place that I know  
Where you and I sometimes go  
You pick flowers  
And I watch you grow  
You got those eyes  
Just like her when she smiles  
They're nothing but blue  
Just like yours

I can't keep you  
I know they think it's wrong  
I can't hold you  
My arms are not that long
