Walked all way back home last night
Couldn't get hold of you
Tried hundred times to reach you on the phone
Another thing that you can't do
I know you're out there on the town
Maybe it's another girl
Did you find what you where searching for
Did you find a different world

Ref.
Did you find love out there
Did you my dear
Did you find it all
Will you write me of your list
When you've find what you've missed
When your hunting is done
I believe it's over now
Baby I'm done
It's been the longest way home

Well I hear you're happy now
A new house and a new car
I hope she treats you like a child
I hope she cares
Cause so did I
I hope one day you'll feel just like
I did when you broke free
That this girl of your dreams breaks your heart
And you wish you were with me

Ref.
Did you find love out there
Did you my dear
Did you find it all
Will you write me of your list
When you've find what you've missed
When your hunting is done
I believe it's over now
Baby I'm done
It's been the longest way home

Did you find love out there

Did you my dear
Did you find it all
Will you write me of your list
When you've find what you've missed
When your hunting is done
Did you find love out there
Did you my dear
Did you find it all
Will you write me of your list
When you've find what you've missed
When your hunting is done
I believe it's over now
Baby I'm done
It's been the longest way home
