I don't feel much like talking  
To anyone today  
And I don't believe that these words  
Are the ones that I want to say

Once I got everything  
I found that everything  
Is not the everything  
When it's not for love anymore

My trembling hand asked me  
What life has ever made of me  
If this is my taste of freedom  
Then what's the point of being free

Cause once I got everything  
I found that everything  
Is not the everything  
When it's not for love anymore

Today I'm at peace with wanting  
Just a simple place to stay  
I don't think that you'll catch my drift  
So let me go, let me slip away

Cause once I got everything  
I found that everything  
Is not the everything  
When it's not for love anymore

I got everything  
I found that everything  
Is not the everything  
When it's not for love anymore

Once I got everything  
I found that everything  
Is not the everything  
When it's not for love anymore

I got everything

But I found that everything  
Is not the everything  
When it's not for love anymore

Once I got everything  
I found that everything  
Is not like anything  
When it's not for love anymore
