Oh the clever
Things I should say to you
They got stuck somewhere
Stuck between me and you

Oh I'm nervous
I don't know what to do
Light a cigarette
I only smoke when I'm with you

What the hell do I do this for?
You're just another guy
OK, you're kinda sexy
But you're not really special

But I won't mi-i-i-i-i-i-ind
If you take me home
Come on, take me home

But I wont mi-i-i-i-i-i-ind
If you take off all your clothes
Come on, take 'em off

'Cause I like you so much better when you're naked
I like me so much better when you're naked
I like you so much better when you're naked
I like me so much better whne you're naked

Wow!

Oh the clever
Things I should say to you
They got stuck somewhere(stuck somewhere)
Stuck between me and you

Oh I'm nervous(I'm so nervous!)
I don't what to do
Light a cigarette
I only smoke when I'm with you

What the hell do I do that for?
You're just another guy

OK, you're kinda sexy
But you're not really special

But I won't mi-i-i-i-i-i-ind
If you take me home
Come on' take me home

But I won't mi-i-i-i-i-i-ind
If you take off all our clothes
Come on' take 'em off

'Cause I like you so much better when you're naked
I like me so much better when you're naked
I like you so much better when you're naked
I like me so much better when you're naked

But I won't mi-i-i-i-i-i-ind
If you take me home
Come on, take me home

But I won't mi-i-i-i-i-i-ind
If you take off all you're clothes
Come on' take 'em off

'Cause I like you so much better when you're naked
I like me so much better when you're naked
I like you so much better when you're naked
I like me so much better when you're naked
I like you so much better when you're naked
I like me so much better when you're naked
I like you so much better when you're naked
I like me so much better when you're naked
I like you so much better when you're naked
