God was there, always had the best of drugs  
Knew where to get them  
Brought a lady-friend  
And I believe her name was Stella, and he said

Stella, Stella, I wanna give you the world  
If you just stay with me tonight  
Stella, Stella, I wanna give you the world  
If you just hold me tight

And I wonder how it will go  
When God hands over the whole wide world to  
A 43 year old hooker from downtown  
Maybe it's about time the old man hands over the  
crown

Stella, Stella, I wanna give you the world  
If you just stay with me tonight  
Stella, Stella, I wanna give you the world  
If you just hold me tight  
Hold me tight, hold me tight, hold me tight

And it made me realize  
How much you wanna give away just to feel loved  
And the Lord blinked to me and asked  
What is real love to you, what is fake and what is true?

Oh, Stella, Stella, I wanna give you the world  
If you just stay with me tonight  
Stella, Stella, I wanna give you the world  
If you just hold me tight

Stella, Stella, I wanna give you the world  
If you just stay with me tonight  
Stella, Stella, I wanna give you the world  
If you just hold me tight  
Hold me tight, hold me tight, hold me tight

Oh, Stella, Stella, I wanna give you the world  
If you just stay with me tonight  
Stella, I wanna give you the world  
If you just hold me tight

Stella, Stella, I wanna give you the world  
If you just stay with me tonight  
Stella, Stella, I wanna give you the world  
If you just hold me tonight
