young girl don't cry i'll be right here when?  
your world starts to fall when you're safe inside  
your room you tend to dream  
of a place where nothing's harder than it seems

when there's no one else, look inside yourself  
you'll learn to begin to trust the voice within

life is a journey  
it can take you anywhere you choose to go  
as long as you're learning  
you'll find all you'll ever need to know  
(be strong)  
you'll break it  
(hold on)  
you'll make it  
just don't forsake it because  
no one can tell you what you can't do  
no one can stop you, you know that i'm talking to you

when there's no one else, look inside yourself  
like your oldest friend just trust the voice within  
then you'll find the strength that will guide your way  
you'll learn to begin to trust the voice within
