Uh-oh make 'em, make 'em
Make 'em dance to this
Uh yeah Ideal come on
Make 'em, make 'em

Let's go
1:
(Ideal:)
Whatever you
Wanna do, uh-huh
Whether it's at
The crib or club
It's all up to you, what?
What?
Whatever you wanna do
So you wanna
Groove, uh-huh
Show me how
You move, uh-huh
What'cha gonna do?
What? What?
'Cause I wanna
Rock with you
Whatever you wanna do

(Ideal:)
Tonight you're with me
I'm talking VIP
Cristal, Moet
Don P tonight, oh
Nice suite at
The Double Tree
You and me in
Between the sheets
It's whatever you
Like baby, tell me

2:

(Lil' Mo:)

I like when you
Move up close to me
Sexy grinding holding me
Real close cause you're
Supposed to be, baby

(Ideal:)

I like it when you
Put that thing on me
Pushin' it up against the jeans
Makin' it harder
In between, baby

Repeat 1

Tonight I just got paid
Let's hop in the Escalade
Go out on an escapade
Tonight, all right
What sip you choose?
I'll grab your hips and move
And do whatever you like
Tell me, tell me

Repeat 2

Repeat 1

(Ideal:)

You can choose
The place we go
Or stay home
With the stereo
You choose the scenario
Tonight your situation
Here's your invitation
Come with me
Whatever you wanna do

(R.L.:)

Make 'em, make 'em
Make 'em dance to this
Uh yeah Ideal come on
Make 'em, make 'em
