Help me escape this feeling of insecurity,
I need you so much but i don't think you really need
me,
But if we all stand up in the name of love
And state the case of what we're dreamin of
I've got to say i only dream of you
But like a thief in the night
You took away the love that i knew

Relight my fire
Your love is my only desire
Relight my fire
Â'Cos i need your love

Relight my fire
Your love is my only desire
Relight my fire
Â'Cos i need your love

Yeah, you gotta be strong enough
To walk on through the night
There's a new day on the other side
You gotta have hope in your soul
Just keep on walkin'Â'
Just keep on walkin'Â'

Strong enough to walk on through the night
There's a new day on the other side
Cos i got hope in my soul
And i'll keep walking baby
Keep on walking baby

Relight my fire
Your love is my only desire
Relight my fire
Â'cos i need your love

Relight my fire
Your love is my only desire
Relight my fire
Â'Cos i need your love
