young girl don't cry i'll be right here when?
your world starts to fall when you're safe inside
your room you tend to dream
of a place where nothing's harder than it seems

when there's no one else, look inside yourself
you'll learn to begin to trust the voice within

life is a journey
it can take you anywhere you choose to go
as long as you're learning
you'll find all you'll ever need to know
(be strong)
you'll break it
(hold on)
you'll make it
just don't forsake it because
no one can tell you what you can't do
no one can stop you, you know that i'm talking to you

when there's no one else, look inside yourself
like your oldest friend just trust the voice within
then you'll find the strength that will guide your way
you'll learn to begin to trust the voice within
